

SUMO Co Ltd was established in 1984 and is regarded as one of Thailand's leading manufacturers and distributors of materials handling, storage and warehouse equipment.

SUMO was the brand launched by **SUMO** Co Ltd in 1993 as a symbol of excellence and high durability materials handling equipment.

SUMO hand trucks were exported to more than 30 countries worldwide and the brand was awarded Thailand's Brand Certification  by the Department of International Trade Promotion, Ministry of Commerce and Thailand Best logo  from Thailand Best Project, initiated by the Saha Group, one of Thailand's largest conglomerates.

In 2012 Jenbunjerd was granted the privilege of using the "Thailand Trust Mark" (TTM) , a symbol of excellent quality endorsed by the Royal Thai Government. This symbol is given to Thai companies with International standard of quality by the Department of International Trade Promotion, Ministry of Commerce.

**Why ?
Sumo
Hand Truck**

-  **Dual-reinforced bars**
Supported at all points of loading
*Applied to all HSHG series
-  **Double steel platform for higher durability**
Super structure double-piece-reinforced profiled platform
*Applied to all HL series

 All round pvc bumper strip

 Reinforced anti-slippery platform

 Non-marking & superb agility polyurethane castor wheels

 Well-designed sturdy folding joints. Our hand truck's handle is totally firm and free from common problem of handle swaying back or forth while being pulled or pushed at its upright position.

Distributed by

Durability Guaranteed

Steel Platform Truck

With Hand Brake

- Fitted with 'Deadman' braking system - brake engages as soon as operators grip is released.
- Press down the handle to release the brake.
- With folding handles for easy storage when not in use.
